#### **What is HomeWalk?**

HomeWalk, our 5K walk, is part of United Way of Greater Los Angeles' year-round campaign to end homelessness. Over the past 5 years, HomeWalk has mobilized **28,000 participants**, raised **\$2.2 million** and moved **12,000 individuals** into permanent housing.

#### **When and where is HomeWalk taking place?**

**Saturday, November 17, 2012**

Exposition Park  
700 Exposition Park Drive  
Los Angeles, CA 90037

#### **How will the funds be used?**

All money raised from HomeWalk is distributed back into the community to help quickly re-house homeless families and provide permanent housing with supportive services to the chronically homeless. Our rapid re-housing partners quickly move homeless families into permanent housing and provide short-term income support and additional support services (food vouchers, access to medical care and day care) to help ensure a successful transition. Our permanent supportive housing partners provide subsidized apartments with on-site services available, such as health care, mental health and substance abuse treatment programs.

Now more than ever we need to work together to fight poverty. So we can end homelessness for good.
